Observations from CLC

“July recorded the highest number of new PDPs, while September saw the peak in new MDPs. The number of completed calls has doubled compared to the previous summer report. With 2026 on the horizon, the final report of the year is scheduled for December.”

To our mid council partners, thank you for your faithful leadership and for walking alongside us in shared ministry. As disciples journeying together, we are grateful for the ways you help convene, connect, equip, and empower the church toward God’s wholeness. “From him the whole body, joined and held together by every supporting ligament, grows and builds itself up in love, as each part does its work” (Ephesians 4:16). Your partnership embodies the trust, mutuality, and grace that sustain our collective witness to Christ.
